trmccoy@powayusd.com

8 Years ago, the Rancho Bernardo High School Football Program helped organize an annual event on behalf of Team Red, White & Blue in order to create awareness about this organization and its cause, which is to connect veterans with local communities.

Once again, we are inviting other high school football programs and their community members to participate in a 6 mile "Ruck" along the 56 Freeway in San Diego.

### DONATIONS CAN BE MADE AT FINISH LINE
